Draft FS Report for the L.E. Carpenter Site

Raymond Basso, Chief
New Jersey Superfund Branch II
Emergency and Remedial Response Division

(See distribution list below)

The purpose of this memorandum is to request that you and/or your staff review and prepare comments on the draft Feasibility Study (FS) Report for the L.E. Carpenter Site, which is located in Wharton, New Jersey. This report was prepared by a contractor working for L.E. Carpenter & Company pursuant to an Administrative Consent Order issued by the New Jersey Department of Environmental Protection (NJDEP). The draft FS Report is being distributed with this memorandum as indicated in the distribution list below. By copy of this memo, I am also inviting any comments from the Department of the Interior on the FS Report.

I will appreciate receiving all comments on the enclosed report by no later than April 30, 1990. The comments should be transmitted directly to Jonathan Josephs of my staff in Room 13-100.

Mr. Josephs of my staff may be contacted at (212) 264-8098 if there are any questions about the FS Report.
